

Rainy River Resources Ltd. is a Toronto-based junior exploration company focused on the development of our advanced-stage gold exploration project situated in northwestern Ontario, approximately 50 kilometres northwest of Fort Frances. We are currently seeking several **Project Geologists** to join our exploration team.

Reporting to the Project Manager, the successful candidate will be responsible for the day-to-day geological and technical operations associated with the running of a diamond drill program.

Qualifications:

- BSc (or higher) in Geology with a minimum of three years post-graduate experience in mineral exploration, preferably in Ontario.
- Well-versed in various modeling software including Gemcom, Mapinfo and/or Geosoft.
- A self-starter with the ability to work independently to fulfill management objectives.
- A strong team player who communicates effectively with management, peers and subordinates.

This is a permanent position based predominantly on site at the Rainy River Gold Project. The schedule will be 21 days on with 10 days off and will include travel and accommodations on site. Rainy River Resources Ltd. offers a competitive salary, benefits and an option package.

Please apply in confidence on-line to [jobs@rainyriverresources.com](mailto:jobs@rainyriverresources.com) by submitting your resume, cover letter and three professional references.
